

# GOT BOOKS?

- 📖 "Got Books" takes any *Books, CDs, LPs/ records, Videos, DVDs, Sports Cards/ memorabilia, and Video Games.*
- 📖 The large gray bin labeled "Got Books?" is located outdoors in the county complex. Bin is located on the West side of the Deeds and Probate Building. There is a drop-slot for donations accepted 24 hours a day.
- 📖 If you need assistance, AmeriCorps Cape Cod volunteers will help carry the boxes.
- 📖 Got Books supports the local community through weekly book sales where fifty percent of the sale profits go directly to charity partners.

## Recycling in the County Complex

In the fall of 2005, Barnstable County Complex began working toward compliance of the recycling mandate handed down by the Barnstable County Commissioners, to recycle work-waste and create a sustainable workplace. With the cooperation of AmeriCorp and Cape Cod Cooperative Extension, all state and county offices were set up for recycling. Staff members were trained and questions answered. A contact person from each department was delegated as the point person for recycling. As of the spring of 2006, all County Complex office staff practice recycling in their workplaces. Recycling now includes paper and cardboard, envelopes and magazines, newspapers and phonebooks, toner cartridges, rechargeable batteries, and cell phones. For a full list of recyclable products, please visit: [www.barnstablecounty.org](http://www.barnstablecounty.org).

For additional questions, concerns, or recycling supplies, please call 508-375-6699 and speak with Mike Maguire or email him at: [mmaguire@barnstablecounty.org](mailto:mmaguire@barnstablecounty.org). By reducing the work-waste volume, Barnstable County practices sustainability in the workplace and saves money by reducing the volume of solid waste that is costly to dispose of.

### What is Recycled:

Metal containers & lids	Memos & post-it
Plastic containers #1 & #7 with pour spouts	Magazines
Aluminum foil & pans	Brown envelopes
