DID YOU KNOW

SOME HOUSEHOLD PRODUCTS ARE TOO TOXIC TO TRASH?

Disposal of:
- Pesticides and Lawn Chemicals
- Cleaners and Disinfectants
- Arts & Crafts Hobby Supplies
- Auto and Boat Fluids
- Pool Chemicals
- Paints, Polishes, and Stains (no latex or acrylics)

When conditions present a danger to staff or participants, collection officials maintain the right to cancel the event.

Questions? Visit our website

www.loveyourlocalwater.org

Love your local water. It's a Cape Cod thing.
Household hazardous waste (HHW) collections protect our local drinking water. Most chemicals are too toxic to throw away in regular trash or dump down the drain, so FREE collections for residents are being held to take that waste off your hands and keep it out of our water supply.

Collections are open to town residents. We define residents as people who own a home, own a second home, are tenants, or landlords in the town. Proof of residency includes one of the following: license with in-town address, tax bill, or utility bill.

Not a resident? You can still participate for a fee. Visit our website for information.

BRING THESE ITEMS TO YOUR COLLECTION
For items not listed here visit your town’s website for disposal instruction.

Are you a small business and do you use chemicals? To make your state required disposal arrangements and obtain pricing, contact Kalliope Chute, HazMat Environmental Specialist, at #508-375-6699.

It is important to keep mercury out of our water supply. To dispose of household mercury products, bring items to your local HHW collection. If you come across large amounts in your home contact Kalliope at #508-375-6699.

- Thermometers, Thermostats
- Large amounts in jugs or bottles

Bring to your local Universal Waste Shed, town recycle center, or HHW Collection.

Call Kalliope at #508-375-6699 for FREE pick-up
