AUTHORIZATION FORM

2022 Hazardous Waste Collections

Visitor Form

Household Hazardous Waste (HHW) Collection Participation

You may participate in HHW collections in your town or your town's host town for no cost, OR attend other town's HHW collection **for a cost**. If you would like to participate as a 'visitor' email this form to Kalliope at least one week in advance of the collection date to notify on the type and quantity of materials you plan to bring. **As a visitor, you will not be allowed to participate without filling out this form, without receiving authorization from Kalliope, and paying for your waste at point of disposal.** Table 1.1 lists 2022 collection dates, times, locations, and contact numbers. Information about the HHW collections is also available on www.loveyourlocalwater.org or f/loveyourlocalwater.

Who is a resident? Do you live in a Cape Cod town for ANY part of the year? If you answer 'yes,' then we consider you a resident of **the** town you spend time in. Thus, you may participate in **that** town's HHW. If that town is part of a collaborative HHW, then you may **also** participate in the town HHW events that collaborate. Example: Upper Cape residents have four hazardous waste collections available without registration: Sandwich, Falmouth, Mashpee, and/or Bourne; Brewster, Chatham, and Harwich residents may go to all six of the regional events. See table 1.1.

Who is a visitor? If you cannot attend your town's event or a host town's event you may attend any HHW event across Cape Cod. You must register and pay to participate. E.g. You live in Falmouth but cannot come to HHW events in Falmouth, Mashpee, Bourne, or Sandwich. You may go to another town's event, for example, Yarmouth, but you **MUST** register and pay.

Register and pay by contacting:
